As time goes by  
At last

How deep is your love  
I didn't know what time it was  
I get a kick out of you  
I say a little prayer  
I've got you under my skin  
It had to be you  
Killing me softly  
Lets do it  
Like someone in love  
Lover Man  
Love is here to stay  
Love for sale  
Makin whoopee  
Misty  
Moondance  
My baby just cares  
My funny Valentine  
My foolish heart  
My romance  
New York state of mind  
Nice work if you can get it  
Night and Day  
On a clear day  
On the street where you live  
One note samba  
On Broadway  
Peel me a grape  
Round midnight  
Route 66  
Smooth Operator  
Satin Doll  
Stormy Weather  
Straighten up & fly right  
Summertime  
Spain  
Take the A Train  
Tea for two  
The girl from Ipanema  
The look of love  
The second time around  
The very thought of you  
They can't take that away from me  
This girls in love with you  
Unforgettable  
Walk on by  
Wave  
When I fall in love  
You're Everything  
You go to my head.....
