Take the guesswork and fuss out of live entertainment. Andy has performed over 1000 (that's right, one thousand) times in pubs and nightclubs, and he knows exactly what a live audience wants from a performer.

Everything from top 40 to classic singalongs, Andy is as much at home in a nightclub as he is in a restaurant. Just Andy and his piano for that unique unplugged feel.

Sing us a song, you're the piano man!
(Hey, it's an old cliché, but it fits!)

Think of all the great piano players and singer / songwriters of all time... Carole King, Billy Joel, Elton John, Ray Charles – the list is almost endless. Then think of these all-time classic hits performed in the intimate surrounds of a piano lounge.
Stunning.

Just Andy and the piano, this performance mode is ideal for creating the perfect mood in piano bars, restaurants, hotel lobbies, service clubs and pubs.
