Hi Tamara,

Everything was perfect. They were very professional while still being friendly and approachable plus they learnt my first dance song for me which I really appreciated. I didn't get to speak to them much however my mother in law had a great chat to Michelle and said she was very lovely. She also advised a few people said to her how great they were and people were asking how we found them. I guess the best indication of how good it was, was that myself and a large proportion of my guests were dancing non stop for hours and time flew by. They def created a great vibe and I'm very happy we chose them for our special night.

Thankyou also for your professionalism and fast replies to my emails. The whole process has been easy and non stressful (which is what you want when organising a wedding)

Thanks

Reannon" (March 2016, RE: Blue Wax)

' ON A NIGHT LIKE THIS '

Yes, all went very well.

The band of Michelle, Nick and Liam (Blue Wax) are a 'tight' outfit. Michelle has a great range and warms nicely to the crowd and Nick pulled us together when we had become a little ragged!. Huge range of numbers thank's again”... Chris

“Wow, what a fantastic day we had last weekend!! EVERYTHING went without a hitch! Even the weather was kind – not quite as hot as predicted and a lovely sea breeze!! Thank you so much for recommending Blue Wax to us, they were BRILLIANT!!

The music was fantastic, songs appropriately selected and enthusiastically delivered.

I just wished people got up and started dancing a little earlier, but none the less the band were enjoyed by all. As you said – not too loud, and the drums certainly added to the whole sound.

They were also great in assisting our MC to “try” to get people to move out to farewell the bride & groom, but due to the bride and groom not wanting to leave we just went with the flow!!!

THANK YOU SO MUCH!

You have been so good to deal with particularly guiding my decisions when I wasn't quite sure what to do! I needed and appreciated that especially!!

Hope we cross paths again somewhere! (I've got 3 boys to marry off yet, so who knows!!)

Many thanks”....

Andrea
